RE: PLANT PATENT APPLICATION CONTROL #10/724,478

Dear Ms. McCormick Ewoldt:

Per your comments and instructions of April 4, 04:

We have considered the descriptive detail of our 'HADBAL' patent application.

Changes and additions were made on most all pages and we believe that the application will now meet with your approval.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. Davidson', with a long horizontal flourish extending to the right.
